

The Cocoa Beach Sail & Power Squadron (CBSPS) will offer the:

Piloting is the first course in the sequence of USPS courses on navigation, covering the basics of coastal and inland navigation for the recreational boater. The course teaches plotting using GPS as a primary navigation tool but also includes traditional course plotting so the student will be able to safely navigate if the GPS fails. During the weekly class sessions the students will do hands on exercises on plotting with both GPS and dead reckoning techniques. At the completion of the ten two-hour classes, the students will be given a take home, open book test that demonstrates their knowledge of basic navigation. There is a seven day limit for completion of the test.

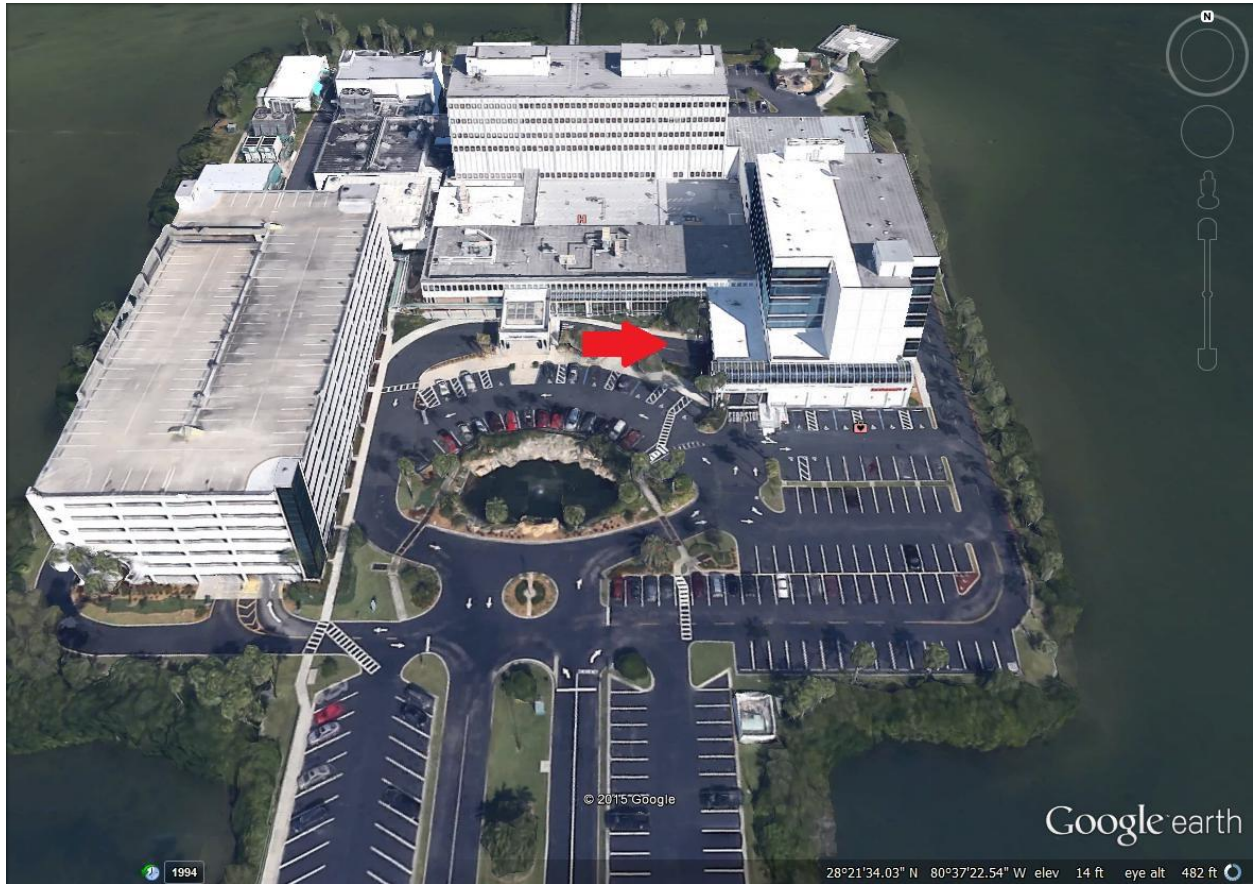

The class will start January 19, 2017 at 7pm. The class will be located at Canaveral Hospital 701 W. Cocoa Beach Cswy, in the Medical Plaza Building. (See red arrow on next page) We will be in classroom D.

Cost for USPS members is \$77.00(\$87.00 for 2 persons sharing a book).

This class is only offered to USPS members.
