General Membership Meeting

Tuesday, 03 July 2007, @ 1900

Brevard Veterans Center

400 S. Sykes Creek Pkwy.

Merritt Island

NAVY LEAGUE, CAPE CANAVERAL COUNCIL

Kurt Ronstrom has 54 years marine experience, including 9 years Chief Engineer in Merchant Marine, ship repair in Ft. Lauderdale, and currently runs KMB Ship Repair at the Cape. He repairs shuttle recovery vessels and other large ships. The Navy League has 280 councils and 68,000 members world wide. It performs educational programs to obtain support for America's maritime services and the people who serve in them.

Attention on Deck

The August General Membership meeting will be held on Aug. 7th. It will commence at 1800 hrs with our annual Italian Night theme feast. Please note that the particulars are included within the Coco-Nauts Corner notations, including a flyer, within this issue. The General Membership meeting will follow the festivities, and will be short and limited, so as to only include essential Squadron information.

THE 10TH OF EACH MONTH

We welcome comments, boating stories and any articles of interest you'd like to submit...

E:Mail an Attachment to boosterx2002@yahoo.com

AT THE HELM

Commander Mike Stone, P

For those of you that missed the general membership meeting on June 5th, you missed a very informative and entertaining presentation by Bobbi and Mike Huck. They gave a slide presentation on their Great Loop cruise that went from Florida up through Canada, back down through the Tombigbee River and back to Florida. The trip lasted 8 months and covered thousands of miles. The slides were beautiful and Mike's narrative was both funny in places and very informative. We greatly appreciate the time and effort they put into the presentation. Approximately 75 people attended the meeting including some members that we have not seen for quite a while. It was great to see them again.

There has been a change in the CBPS Bridge membership. P/C Sam Greenwood resigned the position as Assistant Squadron Education Officer due to health considerations and P/D/C Fred Adame graciously volunteered to take over that position.

At this time, due to changes within the Executive Committee, there are several open positions that need to be filled. They are Assistant Treasurer, Assistant Administrative Officer (new position), and Member at Large. If you would like to volunteer for any of these positions, please contact me. It is especially important to fill these positions because these are the people that participate in managing the squadron business. Without a full slate of members, it is difficult to effectively manage the squadron business.

At the Change of Watch I expressed my hopes that we would increase boater participation for our scheduled boating events and get the squadron more involved in using our boats. Our first boating event of the year was the Blessing of the Fleet April 21st-22nd. Despite the impending bad weather on Saturday morning, the skies cleared and it turned out to be a great boating weekend after all. Six boats attended the blessing and five boats stayed overnight.

The next boating event was to be the cruise to Melbourne Harbor May 26th-27th. That was a different story. We started off with 6 boats signed up for the cruise but by the final days, only the Millners and the Stones remained. I did not think that this was sufficient to consider it a CBPS boating event so I cancelled the cruise due to lack of participation.

The next boating opportunity is a joint rendezvous with Seminole Squadron at the west entrance to the barge canal on July 4th. Seminole squadron members are planning to launch their boats at the Titusville marina and meet up at Breakfast Island (the island just west of the barge canal entrance from the Indian River). From there they plan to go through the barge canal to check out the cruise ship activity at the port. They have invited us to join with them at Breakfast Island and enjoy the festivities. Since they are going to be in our back yard, it would be a nice gesture to greet them and make them welcome to our neighborhood.

Elsewhere in the Soundings you will find a flyer describing the next CBPS boating event; the Sunset Café cruise on July 14th. Last year we had a great turnout and this year is expected to be a repeat. You can choose from the menu so there is no up front cost. The food is very good and the company absolutely wonderful. Plan to come either by boat or car but do come and join us in the fun.

August is a quiet month for CBPS. There are no planned activities. In September we pick up again with the CBPS 40th Anniversary Party at the Eau Gallie Yacht Club on September 22-23rd. This is a very special event celebrating our 40th year of being incorporated as a squadron. This is one date that you should definitely set aside on your calendar.

According to USPS Headquarters, as of June 6th, eighty four members have not yet renewed their membership. Dues were due by May 31st, so if you are among the eighty four, you are overdue. You will be receiving a second notice from USPS Headquarters as a reminder. Remember, dues are payable directly to USPS Headquarters this year. This is a departure from dues payment procedures in past years. You may pay either by check or credit card.

I hope you all have a great couple of months and take advantage of the summer weather to clear the cobwebs from your boats and refresh your memories as to why you own a boat. Remember the fun you had and enjoy that fun again!

EXECUTIVE OFFICER'S REPORT

Lt/C J. P. Longway III, S

“Summertime and the fish are jumping”, and the Squadron and many of its members are jumping as well. Especially in the Public Relations area, where Lt Joan Montfort, S, along with P/C Larry Hatfield, SN, continue to get 'the word out' by promoting the various offerings of the CBPS and its events. Joan continues to beat the bushes to find sources to promote/advertise CBPS's current and upcoming events. Larry on the other hand, assumed the responsibility to make/renovate and update numerous large signs and placards, that he put in place at various community marinas, boat ramps, parks, etc., many, many moons ago. He is in the process of personally replacing those weathered, outdated and even missing signs. Job well done, thanks to both Joan & Larry for getting the word out about us!

Lt Charlie Dodds, SN, and the other Vessel Safety Examiners continue to offer their services for free certified vessel inspections. They have accomplished 150 inspections to date, in trying to achieve their goal of 250 by year's end. Please help their efforts by ensuring your vessel is inspected, as well as referring others (non-members) to do same.

Kudos to the Coco-Nauts, led by President (P/R/C) Carmen Adame, AP, for providing and ensuring that those members who participated in the Cape Canaveral “Sun Cruz” Cruise had an enjoyable and rewarding day. As usual, it was a day well “spent”, with good friends and food, while supporting a local community organization. Please remember to mark your calendar for Coco-Nauts' 7 August “Italian Night” so you'll attend and support the Auxiliary's annual fundraiser.

SEO REPORT

P/C John Mulkey, P

The Sail Course will start July 9, 2007 at Wuesthoff Hospital in Rockledge. This course is being taught by Lt. Tom Schrader, AP. It is not too late to sign up for Sail. Call me at 633-0094 or email me at j_mulkey@bellsouth.net to get your book.

The tests for our Piloting students have been sent to National for grading. Many thanks to Lt. Jack Wurst, AP for teaching and to Lt. Jim Wonnell, AP for assisting with this course.

At the request of several Piloting students, the Advanced Piloting Class has been postponed until this fall. It seems that a break is needed between these courses. Lt. Jim O'Malley, AP will be our Advanced Piloting teacher this fall.

The tests for Junior Navigation have been sent to National for grading. P/D/C Fred Adame, SN did an outstanding job of teaching this revised course.

The Spring Boat Smart Course had 27 students due to the hard work of several members. We owe thanks to P/C Larry Hatfield, SN and his crew for signing up students at the CFFW Flea Market at Harbortown Marina this spring. Also, thanks to Lt. Joan Montfort, S for getting our newspaper ads. Last but not least, thanks to Lt. Marian Sweigart, AP for taking and making all those phone calls. I would also like to personally thank all those who helped me with the Spring Boat Smart Course.

Our new Seamanship Class will start September 5, 2007 at the Cocoa Library. This will be taught by Lt. Robert Goldstein, AP and Lt. Adriannne Goldstein, S. Please contact me as soon as possible to order your class book!

Instructor Development will start on September 10, 2007 at Wuesthoff Hospital and will be taught by Lt. Dee Neve, S. There is no charge for the course which deals with effective communication. Please call me to sign up and get your class book ordered.

ADMINISTRATIVE OFFICER'S REPORT

Lt/C Joe Derrico, P

Greetings from your Administrative Department! Our Membership Chairperson, Lt. Doris Valentine, reports that she has signed up two singles, two families of three each as new members and the possibility of two more families. Good job Doris! Lt. Pam Johnson, P and Lt. Doris Valentine are planning a "Welcome Party" for the new members at Doris' home. Details will be announced later. Lt. Jim Won-nell , AP has programs planned through October and each will be entertaining and educational. The June program was a "Block Buster". It was about the Great Circle cruise of Mike and Bobbie Huck, with wonderful slides, descriptions, and "side bar" comments. Lt. Denise Stone, P and Lt. Barbara Millner, S have a great outing planned for July 14th, Bastille Day. (Did I say Flag Day in the last Soundings? Thank you Commander!) Put it on your calendar, July 14th at Sunset Café, Cocoa Beach. Arrive by boat, bike or auto. You can even run, walk or bicycle, but do not miss the fun, See you there. Give Blood.

SECRETARY'S REPORT

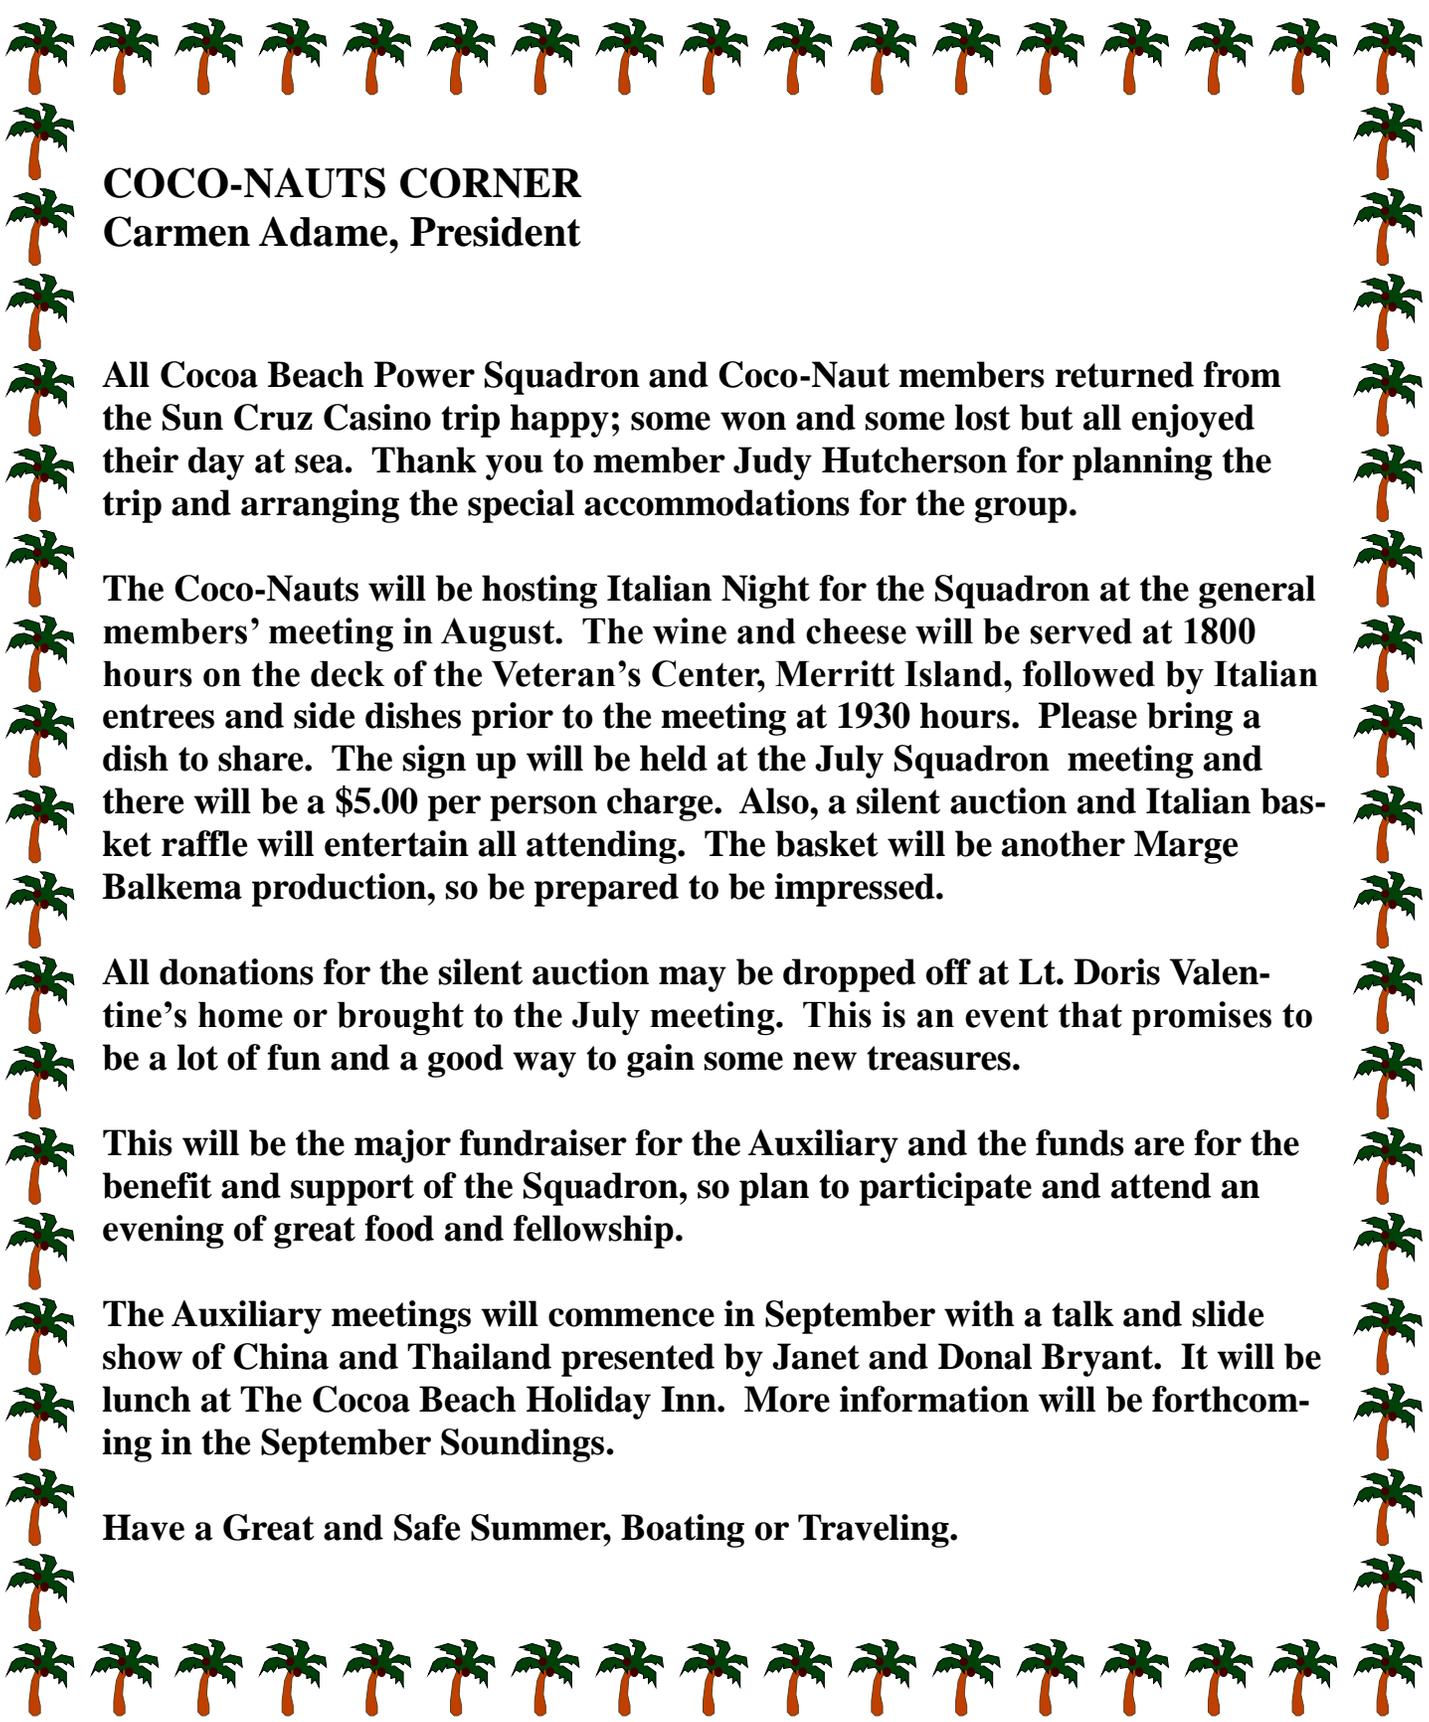

Lt/C Kynric Pell, P

For me, it has started off as a busy summer as I have spent the last two months in Ohio helping my son in a new business. Unfortunately, that means no boating for me. 1/LtMarilyn Flanigan, P has done an excellent job filling in for me, and I thank her again for her outstanding service to the Squadron. I hope that the summer has started well for each of you and that you are helping Cdr Michael Stone, P make this truly the "Year of the Boat"!

TID BITS

- If there are members whom have USPS uniforms, other related clothing, insignias and accessories that they are no longer using/wearing, and wish to recycle them for other members use, please contact an officer of the Bridge for receipt of same and storage. As other members assume positions that require them to wear appropriate uniform attire, they will be able to consider having what is in the inventory, rather than going out and buying new.
- The Bridge is open to offering members the opportunity to provide Christmas and Holiday Season greetings in the December issue of Soundings for a nominal contribution to support the Soundings. The cutoff for submitting your greetings, best wishes, etc. will be November 10th. Particulars for this offering will be announced at future meetings and issues of the Soundings, as to size, number of words and costs .

COCO-NAUTS CORNER

Carmen Adame, President

All Cocoa Beach Power Squadron and Coco-Naut members returned from the Sun Cruz Casino trip happy; some won and some lost but all enjoyed their day at sea. Thank you to member Judy Hutcherson for planning the trip and arranging the special accommodations for the group.

The Coco-Nauts will be hosting Italian Night for the Squadron at the general members' meeting in August. The wine and cheese will be served at 1800 hours on the deck of the Veteran's Center, Merritt Island, followed by Italian entrees and side dishes prior to the meeting at 1930 hours. Please bring a dish to share. The sign up will be held at the July Squadron meeting and there will be a \$5.00 per person charge. Also, a silent auction and Italian basket raffle will entertain all attending. The basket will be another Marge Balkema production, so be prepared to be impressed.

All donations for the silent auction may be dropped off at Lt. Doris Valentine's home or brought to the July meeting. This is an event that promises to be a lot of fun and a good way to gain some new treasures.

This will be the major fundraiser for the Auxiliary and the funds are for the benefit and support of the Squadron, so plan to participate and attend an evening of great food and fellowship.

The Auxiliary meetings will commence in September with a talk and slide show of China and Thailand presented by Janet and Donal Bryant. It will be lunch at The Cocoa Beach Holiday Inn. More information will be forthcoming in the September Soundings.

Have a Great and Safe Summer, Boating or Traveling.

Radio Technical Officer Report

Lt Gene Millner, AP

In last month's report, I emphasized that when out on your boat, you should have your VHF radio and cell phone 'on'. The VHF should be monitoring the calling and distress signal Channel 16. After establishing contact with another station, switch to Channels 67, 68, 69, 71, 72 or 78. Many sailboats use Ch. 17. When requesting bridge openings in Florida, use Ch. 9. Never use Ch. 70 for any normal conversations. This is now the Digital Selective Calling (DSC) channel. This is explained below.

New VHF radios have the DSC capability making distress calls very easy and helpful. When shopping for one of these radios make sure that it has the proper NMEA connections to allow it to interface with your GPS. Your Latitude and Longitude will be displayed on the radio's face.

To make a DSC distress call, press and hold the distress button until the radio's display shows the call has been sent and the radio will sound an audible distress alarm. The radio will automatically monitor Ch. 70 for a DSC acknowledgement and also receive calls on Ch. 16. When a DSC acknowledgement signal is received, an alarm sounds, Ch. 16 is automatically selected, and the display screen shows the Maritime Mobile Service Identity (MMSI) of the responding radio. Your lat/long is transmitted to the receiving radio for your rescue location if needed. You can obtain your free MMSI number from Boat U. S.. This new service will make distress calls less distressful, easier and more useful to the Coast Guard or other rescue services.

The annual KING NEPTUNE PARTY

Saturday, 10 November 2007 at
Wickham Park, Melbourne, Florida

Come see the newest members of BRS&PS pay homage to King Neptune. If you have new members whom you would also like to pay homage to this Deep Sea King, make sure they attend this party.

For a very low price we will have hot dogs, hamburgers, bake beans, slaw and all the fixings along with soda and brews.

More info will be forthcoming! But mark the date on your calendar, 10 Nov.

Sunset Cafe Cruise

July 14, 2007

All are invited to the cruise and luncheon at the Sunset Cafe.

The luncheon will start at 11:30 A.M. Food selections will be from the menu with separate checks.

Our District 23 Commander, Don Clark, will be attending the luncheon. Come meet the Commander, take a break from the Summer heat, and enjoy a lunch with good friends.

To sign up call Barb at 452-0500 or Denise at 453-5807

Your Cruising CoChairs Barb and Denise

Galaxy 23

From the District Bridge
D/Lt/C Robert E. Becker, Jr., SN
Administrative Officer

As your D23 National Membership Representative, I have just received the latest Membership figures for 30 April. D23 currently has 1058 USPS members. The USPS Strategic Plan for D23 would like us to have 1,123 members. At present we are 94.2% of that goal. We need only 65 additional members to reach it. That boils down to 6 new members per squadron! Can we do it? I'm certain we can, but it is up to you. With the new USPS Membership Policy of taking in a qualified boaters, this goal is not impossible.

This year's D23 Fall Conference will be hosted by the Ponce de Leon Inlet Sail & Power Squadron, and is scheduled for 5-7 October at the Holiday Inn Convention Center in Deland. Mark your calendars now, as this is the 50th anniversary of D23 as a district within the USPS! Ponce is putting together a conference that will long be remembered. The Friday night theme carries us back to the 1950's, and Ponce is going all out to have us remember those great years! They are calling the theme, "The Way We Were", with departmental meetings, specialized workshops, good food, and all of this in the area of Deland, that has contributed much to Florida history. So start now by marking your calendars for 5-7 October, and spread the word amongst your membership. The flyers promoting the convention will be available in your squadron's newsletters shortly, and if you book the entire package through the Ponce squadron, you can save on the room tax.

Banana River Sail & Power Squadron has teamed up with D23 to bring you a great day of fun, food and adventure. On Saturday, 10 November, King Neptune will hold court in Melbourne. While BRS&PS has held this event for many years, this will be the first time it has become a D23 event. The King and his court of beautiful Mermaids will welcome new USPS members into his fold after the members comply with his wishes! It is a ceremony that you will want to see, and hopefully your new members will take part in and enjoy. After being questioned by King Neptune, each new member will have to walk the plank. (It should be noted that BRS&PS has not lost one new member after this little episode!) Hot dogs, hamburgers, bake beans, slaw, etc., along with soda and suds make up the food for the event. So be sure to watch for more information in your squadron newsletters. But, right now be sure to mark the date on your calendar, Saturday, 10 November the D23 King Neptune party hosted by BRS&PS in Melbourne. You will not want to miss this one!

And, last but not least, do not forget that we need only 6 additional members per squadron to make the USPS National Membership Goal. It can be done, but it is up to you!

Have a safe and enjoyable summer.

D/23 Celebrating 50 Years As A Member Of

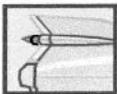

The United States Power Squadrons

5 - 7 October 2007

Holiday Inn Convention Center Deland

Ponce de Leon Inlet Sail and Power Squadron invites you to share in the festivities surrounding the celebration of D/23's 50 years in existence. After checking in on Friday, our hospitality room sets the scene with libations and goodies. The evening party will transport you back to the 1950's and "The Way We Were". Can you remember the large cars with their extreme

fins jutting out, flamboyant movie roll, and our favorite tunes that were

stars, the jitter bug, rock and all the rage?

D/23 workshops and business will fill the day on Saturday but there is so much in the area for spouses to enjoy. Several ideas for touring include: The Stetson Campus with the Gillespie Museum of Earth Science, The Henry A. Deland House Museum, The Deland Memorial Hospital Museum, and Historic Downtown Deland to browse and shop. A special treat is the DeLand Historic Mural Walk with 12 huge murals painted on various buildings in downtown Deland that one can stroll along to enjoy. A booklet is provided with information about each mural. One might even want to stop at the famous Mr. Bill's Donut Shop.

The hospitality room will be open at 1600 to be followed by our Saturday evening formal dinner. The weekend concludes with the "N Club" breakfast Sunday morning. All attendees are welcome to come to this breakfast with a speaker before the actual "N Club" meeting.

USPS DISTRICT 23 2007 FALL CONFERENCE
